

2014 AACC Annual Meeting

Join AACC in Chicago for the world's largest gathering for laboratory medicine.

Connect with the Global Laboratory Medicine Community

Attend the 2014 AACC Annual Meeting and [Clinical Lab Expo](#) and:

- Connect with global leaders in clinical chemistry, molecular diagnostics, mass spectrometry, translational medicine, lab management, and other areas of breaking science in laboratory medicine.
- Learn about cutting edge technology. The AACC Annual Meeting has more than 200 new product introductions each year.
- Hear vital research and learn about important changes in the field. With more than 200 educational opportunities in Lectures, Plenary Sessions, Symposia, Short Courses and Roundtable Sessions, you can design an educational experience that best meets your professional needs.

Proposals

Thank you for your interest in the 2014 AACC/CSCC Annual Meeting. The deadline for submitting proposals was September 26, 2013. The website is now closed. We are no longer accepting proposals for the meeting.

We received some very exciting proposals and are looking forward to an interesting and educational meeting. We look forward to seeing you in Chicago!

Plenary Sessions

Feature speakers with different perspectives on the future of healthcare. Plenary speakers are nationally recognized leaders from clinical practice, research, business, and policy.
